

SHOOT 2025 23rd Annual New Directors Showcase **"We Support New Directors" Marketing Package: \$2,500.**

Selecting the best work entered in the New Directors Search, compiling the New Directors Showcase Reel & producing the New Directors Showcase Event is one of our greatest pleasures each year. 2025 marks the 23rd year of the Event and we'll again be holding it at the Directors Guild of America (DGA) in NYC. This year's Event will take place in November (day TBA).

In addition to NDS Event Sponsorship and NDS PDF Issue Advertising, we are pleased to offer a special "We Support New Directors" Package – a fantastic promotion opportunity to keep your Company name in front of the industry for a full year.
